

## San Bruno Fire Department Smoke Alarm Program Participant Hold Harmless, Waiver and Release

The San Bruno Fire Department is providing me a smoke alarm and/or batteries through its smoke alarm program without cost to me. I understand and agree that I alone am responsible for the maintenance of my smoke alarm. Maintenance includes, but is not limited to, testing the smoke alarm monthly and buying and installing new batteries at least once a year to make sure the smoke alarm continues to operate. I understand that the smoke alarm will function only with a charged battery and that the battery will discharge over time.

I also understand that smoke alarms and batteries are subject to defect and the City of San Bruno does not make any warranties or representations about the performance of the smoke alarm, the batteries, or any other equipment, product, or service provided to me under this program. San Bruno specifically disclaims any warranty (express or implied) that a smoke alarm, battery or equipment or product provided under this program is fit for a particular purpose and disclaims any warranty of merchantability (express or implied). Further, San Bruno makes no warranties or representations about the services provided through this program, including the proper installation of the smoke alarm, the proper location of the installation of equipment or products, the proper or correct or timely replacement of batteries or smoke alarm, testing, or the availability of city personnel to perform or assist in the performance of such services. Further, this program may be discontinued at any time without notice.

In consideration of the acceptance of a smoke alarm, batteries, and or equipment, products, or services, I hereby hold City of San Bruno harmless and waive, release, and discharge any and all claims for death, personal injury, or property damage which I may have, or which may occur or accrue to me, against the City of San Bruno, its officers, officials, employees, and volunteers, and any other involved municipal or public agencies from and against any and all liability arising out of or connected in any way with the smoke alarm program or my acceptance of said smoke alarm, batteries, equipment, products, or services. It is further understood and agreed that this waiver and release is binding upon my guests, invitees, family members, heirs and assigns.
